Recommendation and Substitution Form for Ph.D. Qualifying Examination Course Requirement (Depth/Breadth)

To be filled out by the student: (Student can attach supporting documents.)

Student Name	
Student Number	
Student's Advisor	
Major Area of Ph.D. Study	
Minor Area #1 of Ph.D. Study	
Minor Area #2 of Ph.D. Study	

Course to be applied toward Ph.D. course requirement: Depth Breadth

Course Title	
Course Number and Credit Hours	
Quarter and Year Taken; Grade	
University Taken (if different from UW)	
UW Equivalent Course Number	
Area to which Course is to Apply	

To be filled out by the instructor:

The above named student is requesting that the indicated course be counted for partially satisfying the course requirement of the Ph.D. Qualifying Examination in Electrical Engineering. We request a brief assessment of the student's performance in this course. Please answer the questions below and feel free to provide any comments that you wish.

Do you feel that the student's performance in the course was at the level expected of a Ph.D. candidate?

Yes No

Do you feel that the course is equivalent to the UW course number given above?

Yes No

I recommend that the course be credited towards the requirement.

Signature of Instructor: _____

Date: _____
