Background about you (1-Rarely; 2- Sometimes; 3-Often; 4-Mostly)

I read the lab material before class.	1	2	3	4
I feel comfortable asking questions in lab.	1	2	3	4
I am satisfied with my learning & performance in this course so far.	1	2	3	4

I would like the TA to: (check all that apply)

- Give more thorough introductions to each lab
- Clarify the objectives of each lab more
- Explain the procedures for each lab in more detail
- State more clearly what I am expected to learn
- Give more real-life examples to show the relevance of the labs
- Be more efficient in answering questions
- Speak more clearly and loudly
- Use the board more
- Get everyone's attention before making an announcement
- Interact more with students during lab
- Give me more individualized attention
- Treat male and female students equitably
- Other?

Comments to TA

What are the strengths of the lab? In other words, what features of the lab contribute significantly to your learning?

What improvements would you suggest to enhance the lab?

Additional comments to your TA?
