Alex gets ticket, plans to fight

July 1st, 2003, Seattle, WA

Possible outcome from ticket hearing

Alexander Mamishev was going about a usual day when he parked in C-12 on campus this week. Little did he know that lying in wait was a parking enforcement officer to ticket him for parking in a construction only segment of the lot. While he has yet to schedule a hearing, he plans to base his case on the tired and over-used “I didn’t see the sign” line.
